

GAMING KEYBOARD

KL-3000

1 Year Warranty Replacement

نظراً لأهمية تطوير الأداء ورغبتنا فى التميز
قمنا بتبني فكرة الجودة الأوروبية لنطل عليكم بثوب جديد بماركة

ST-STANDARD

وجعلنا هدفنا هو الجودة وعلى هذا اختارنا وصممنا جميع منتجاتنا
خاضعة للمواصفات العالمية المتفق عليها فى السوق الأوروبى
وجعلنا شعار الشركة هو الجودة أولاً
لتكون هدف العميل الذى يبحث عن الجودة
ولتصبح شركتى الفؤاد الدولية وسكاى توب
مقصد جميع الشركاء الذين يبحثون عن التميز.

Due to the importance of performance development
And our strive for excellence, We have decided to adopt the
European quality in our new brand

ST-STANDARD

We set the goal of offering the best quality and accordingly
We chose and designed all our products according to
The international specifications in the European market.
Our slogan has become "quality comes first"
To target customers looking for quality.
Al-Fouad International Company and Sky Top
Became the right place for companies
Looking for successful partnerships.

- كابل نحاس قوي ١,٨ متر
- لوحة مفاتيح كاملة الحجم والقوة
- تصميم المفاتيح مرتفع منخفض

Function

Mechanical Properties

Operating load of key cap: Maximum load $7 \pm 52g$ Special key (with stabilizer bar)

Operating stroke: Total stroke $0.2 -/+ 3.6mm$ (press down with 120g force)

Minimum resilience of key: $\geq 15g$ Key drawing force $\geq 1.2Kg$

Operating life: Under the DC 5V 0.1mA Working condition, more than 5 million

Times are tested at the speed of 4 times per second

Operating temperature: $^{\circ}0C$ to $^{\circ}40+C$

Storage temperature: $^{\circ}20-C$ to $^{\circ}60+C$

Tactile: At the speed of 4 times per second, any position above the key is knocked, and there is no bad feeling

Materials

Certification: FCC, CE

Keyboard size and weight: Dimensions: (L) 485mmx (W) 210mmx (H) 32mm

Weight: $5 \pm 805 g$

Power supply

Working voltage: $5+V+/0.5-V$

Working current: 100mA MAX

Cable Line size: The outer diameter of the cable is $0.1 \pm 11600 mm$, and the diameter of the cable is 0.30 mm.

USB -4Pin Interface

Pin1: Positive power supply Pin2: data- Pin3: data+ Pin4: Ground wire

Cable flexing test swing times: More than 2000 times

Weight: 200g Angle: ± 60 degrees

Speed: 30 times/min
