- Built-in battery for endless fun anywhere
- Smart Wi-Fi and Bluetooth connectivity

iF DESIGN AWARD 2020

Product **Description**

The ViewSonic M1 mini Plus is a smart pocket cinema which delivers convenient audiovisual entertainment anywhere. With the light weight, ultra-mini size and swappable colored top plate, it serves as a personal pocket cinema for your everyday life. The built-in battery, JBL speaker, and the ability to be charged by a power bank, allows for easy outdoor or on the go use. The adjustable stand offers flexible projection angles that can satisfy many viewing needs - even ceiling projection. More fun can be accessed with Wi-Fi and Bluetooth connectivity - wireless casting from smart devices, built-in content streaming, and audio amplification.
