

THE AFFORDABLE SOLUTION FOR QUALITY PRINTS.

The EcoTank L1210 and L1250 let businesses enjoy excellent print performance and produce photos with superb quality. Enjoy low printing cost with high print yield of up to 4,500 pages for black-and-white, and 7,500 pages for color. Reasonably priced ink bottles with designated nozzles enable spill-free refilling. These compact printers fit into any space and comes with wireless connectivity*, enabling you to print from smart devices. Download the Epson Smart Panel* app to your mobile device and easily manage your printing functions and printer setup, making this especially useful for non-panel printers. This efficient and affordable print solution is what your business needs. Get one today.

Magenta Ink Bottle			003
Yellow Ink Bottle			003

Dimensions & Weight

L1210

Weight: 2.8 kg

L1250

Weight: 2.9 kg

^{*1} Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

^{*2} When printed on Epson Premium Glossy Photo Paper.

^{*3} Borderless printing is supported up to 4R (4 x 6"), otherwise 3 mm top, left, right, bottom.

^{*4} Default mode in accordance with ISO7779.

^{*5} Quoted yields are based on the ISO 24711/24712 patterns of mixed text and color graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. Ink is used for both printing and printhead maintenance. All inks are used for both black and color printing.
