AN ECO-NOMICAL AND ECO-FRIENDLY, ALL-IN-ONE PRINTER FOR HOME USE WITH WIRELESS PRINTING CAPABILITY

The EcoTank L3260 multi-function printer is designed for printing with true convenience at home. One can expect a high print yield of up to 4,500 pages for black, and 7,500 pages for colour - for non-stop printing. It can even print borderless photos - up to 4R in size. The integrated ink tanks and designated nozzles ensure spill-free and error-free refilling. Epson's Heat-Free Technology helps keep power consumption to a minimum, giving it the capability to print even on a UPS. The Epson Smart Panel app can be downloaded on mobile to manage the printer's functions and setup with ease. With wireless connectivity and a 3.7 cm (1.45") LCD screen, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Borderless printing is supported up to 4R (4 x 6"), otherwise 3 mm top, left, right, bottom.

*4 Default mode in accordance with ISO7779 for MFPs.

*5 Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.

Information correct at time of printing.
