DISPLAY**

## Spectacular Visual Experience

\*optional

Visualization matters, especially for content creations. The exclusive True Pixel display delivers true-to-life images. Which includes 4K resolution, AdobeRGB 100% color gamut, Delta E<2, True Color Technology and Verified by CalMan.

Creator Center

Takes optimization to the next level with easily adjustable system modes and resources.

**Thunderbolt™ 4**

Multiple USB Type-C with Thunderbolt 4 ports also support power delivery.

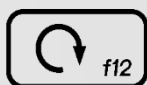

Multiple Tests Passed

## Military-Grade Durability

To pursue the best of the best, the product meets the MIL-STD-810G military standard for reliability and durability. MSI always strives for professionalism with world-leading technology.

Thin Bezel

Flip-n-Share

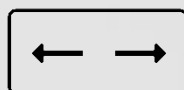

## Design for Future

Crafted in an ultra-light & slim aluminum chassis, the Prestige Series is made portable and stylish wherever you go. With a 180° lay-flat and maximized screen real estate with thin bezel display, the Prestige Series makes it easy to share ideas and designs.

## One Touch Access with Windows Hello

Built-in fingerprint sensor is designed for high privacy protection and business security.

Silky Smooth Touchpad

## A TouchPad You'd Want To Use

With an extra-large touchpad for all your multi-finger gestures. It's more responsive, more accurate and silky smooth to the touch.

Productivity up to 10 hrs  
with Fast Charging

## Mobility without Compromise

Designed for non-stop, on-the-go creators, this collection keeps creative spirit going through the long lasting battery.
