

G640

Large Cloth Gaming Mouse Pad

ELEVATE YOUR CONTROL. ELEVATE YOUR GAME.

Improve mouse control and precise cursor placement. The cloth surface of G640 provides ideal surface friction for low DPI gaming. Consistent surface texture improves sensor performance, especially when used with Logitech G gaming sensors. And the soft rubber base maintains stability without sacrificing comfort.

Moderate surface friction
Improves control for rapid mouse movements common to low DPI gaming

Consistent surface texture
Delivers better sensor imaging and gaming performance

Optimal Logitech G Sensor Surface
Gives you the fullest Logitech G mouse sensor accuracy and precision

Comfortable rubber base
Keeps the mouse in place during high intensity gaming

Large gaming surface
Allows for wide mouse motion
